- Litter boxes

Packaging: PMP Washed Plaster Sand is available in 0.75 cubic-foot (0.021 cubic-meter) bags.

Technical Data: PMP Washed Plaster Sand conforms to ASTM C144 Standard Specification for Aggregate for Masonry Mortar.

Warranty: The technical information and usage statements are based on our best knowledge. The contents of this specification sheet are presented for informational purposes only and do not constitute responsibility for their use. The manufacturer will replace only that material which is proven defective due to quality of the components of the manufacturing process.

CAUTION: Prolonged exposure to dust may cause delayed lung disease. Eliminate exposure to dust. Use NIOSH approved mask for silica dust. Freshly mixed materials may cause skin irritation. Avoid direct contact where possible and wash exposed skin areas promptly. If any material gets into the eyes, rinse immediately and repeatedly with water and get prompt medical attention. See Safety Data Sheet.
